The bus station is approximately 45 minutes by taxi away from the airport and only has 2 afternoon departures per day to Mackinaw City.

While flights can be slightly more expensive flying into Pellston or Chippewa County - depending on arrival time we can pick you up from these two airports as they are close to Mackinaw City. Delta is the airline that operates these flights.

We do NOT recommend flying into Chicago O'Hare and taking the bus from there. This is due to added costs and safety concerns. It generally takes about 14 hours by bus to arrive in Mackinaw City from Chicago. While flying into Chicago may initially save you money on your flight ticket, you will likely spend more in ground transportation and hotels.
